Any student that wishes to participate in varsity athletics at Roger Williams University, including tryouts/walk-ons (please see information below), will be mandated to fill out the required medical paperwork prior to any participation. All information must be completed and received by August 1, 2014. (If a pre-participation physical examination is scheduled after August first, it is okay as long as the Sports Medicine department receives it prior to the start date of the sport, but all other information should be sent in to the Sports Medicine staff.)

*First year/transfer student athletes need to have an updated physical examination within 6 months of the start of your season.*
